Ltd.**

Strength and Dependability in Every Fiber

Twisted Paper Cord

Guelph Twines Ltd. manufactures **Twisted Paper Cord**, a paper bag handle designed for use in retail, grocery, and e-commerce markets. Manufactured in Canada from 100% kraft paper, our cords deliver reliable runnability in both automated and manual bag-making systems. This plastic-free option supports eco-conscious brands with a biodegradable and compostable alternative.

Available Diameters: 2 - 5 mm. (0.08 - 0.20 in.) with custom sizes available

Finish Options: Waxed or unwaxed

Packaging: Continuous spool format (center-pull)

Construction: 100% kraft paper (undyed), optional fiberglass reinforcement

Environmental Profile: Biodegradable, compostable, and plastic-free

Machine-ready: Compatible with leading twisted-handle bag-making systems, and can be spliced to create continuous runs. Continuous testing and refinement with international OEMs to ensure smooth integration.

Established in 1972 by industry visionaries from the Brantford Cordage Company, Guelph Twines Ltd. quickly became known for product quality and innovation by the comprehensive experience of its founders.

Today, Guelph Twines retains the same quality reputation and strength of experience as a third-generation family-owned business manufacturing twines, cable fillers, and twisted paper cord for many commercial, industrial, and agricultural businesses across North America.

In everything we do, our products reflect the experience of our cordage industry employees, dedicated to the values of product quality, reliability, innovation, fast order fulfillment, and exceptional customer service and satisfaction. We are here to deliver.
